

THE TRUE NORTHERNER.

Published Every Wednesday.

PAW PAW, MICH., FEB. 16, 1898.

CHAIRMAN Baker of the Michigan Bologna party refused to accept \$300 silver dollars for a debt of that amount, alleging that such dollars were frauds, having less than fifty cents' worth of bullion value each. And yet, for every possible purpose for which money can be used, except, perhaps, to pay Fred Baker's claim against Stephen Baldwin, those dollars were just as valuable as the same number of dollars of gold. But Mr. Baker is clamorous for the government to coin the surplus silver of the world into just such dollars, alleging that then they would be as valuable as gold dollars. He admits, however, that this result would be brought about by the cheapening of the gold dollar rather than by enhancing the value of the silver dollar. According to Mr. Baker's politico-financial gospel, it is fraud to pay debts in silver dollars as good as gold unless the value of a gold dollar is first cut in half. This may look all right from a free silver demagogic standpoint, but to other people it cannot but appear slightly inconsistent, and seems to partake of a robust degree of demagoguery.

The prompt action of the administration in dealing with the De Lome matter is very satisfactory indeed to the American people. He has been arrogant in his demands for the observance of neutrality on the part of the United States, and his downfall will cause no sorrow in this country. A diplomat can slap Uncle Sam in the face if he wants to—but the effect on the diplomat will be much more disastrous than on the old gentleman whom he assaults.

WHEN the free silver press, from the Detroit Tribune down, wants to be more than ordinarily sarcastic, it prints the name of some republican leader in full; as Julius Caesar Burrows or William Alden Smith. That is the very height of humor and sarcasm and evinces such wonderful versatility and ability.

It is a cold day when Fred Baker of Detroit does not issue a free silver manifesto. He seems to think he is

ing out, at her residence in Mandan, N. D., on the morning, February 6, 1898, of pneumonia, Bertha, wife of Clarence E. Allen, aged 29 years, 10 months and 27 days.

The deceased, whose maiden name was Bertha Knutsen, was born in Bergen, Norway, March 10, 1868, and with her parents came to America in her youth. She was united in marriage to C. E. Allen at Dickinson, July 17, 1888, and with him came to Mandan in April the following year, where they have since that time made their home.

Something like two years ago, Mrs. Allen was first troubled with appendicitis, which in time culminated in peritonitis. She was taken to Brainard and placed under the care of excellent physicians and subsequently in Chicago received treatment from skilled specialists. But all the skill of learned physicians could not restore the health she so much sought. Finally, returning to Mandan, she had the special attention of local physicians. For a time her symptoms grew more encouraging and it appeared that the fondest hopes of loved ones was about to be realized, but on Friday last she caught cold and despite all that medical skill and loving hands could do, she could not muster the strength to shake off this additional physical burden and Sunday morning as the sun rose in the eastern horizon, bringing the glad tidings to her of a new and brighter day in that city of eternal sunlight, quietly and peacefully she went to sleep to rise again in that better land.

Her sufferings are over, and though her death has been a sad bereavement to a kind, loving and devoted husband and affectionate son, he who doeth all things well has called her from affliction to eternal health. She leaves to mourn, besides her husband, and son about 8 years old, a father, brother and three sisters. Mrs. Allen was a member of the order of the Eastern Star, under whose direction the funeral was held, the members of the order being nearly all present. The funeral services were held at the residence Tuesday afternoon and were attended by a large number. Rev. Mr. Byers, pastor of the Presbyterian church, conducted the services. The choir of that church sang and the reverend gentleman then made a few appropriate remarks. The funeral procession was quite long. The pall bearers were Messrs. McLean, Simpson, Slater, Barrett, Austin and Peterson.

The superb live pointed star which lay on the coffin, was contributed by the Eastern Star. Other flowers from friends of the deceased were furnished in profusion.

MRS. WAGNER'S CASE.

Dodd's Kidney Pills Rescued Her When Doctors said She Must Die.

Port Huron, Mich., Feb. 14.—Mrs. Etta Wagner, whose husband keeps a hotel at 604 Huron street, this city, was seen in reference to her recent remarkable recovery, after three years of illness. "Yes," she said, "I am completely cured and I am sure you will understand how hopeless my case seemed when I tell you I had kidney disease in its worst form, and also heart disease. My doctor said I could never recover, because when the kidneys and heart were both affected, there could be no hope; he could do nothing for me. I tried another doctor and he also told me that to cure my complication of disease was beyond the power of any human physician. When hope was almost gone I heard of Dodd's Kidney Pills, and decided to try them—to my joy the first box gave me relief. I have taken ten boxes, and I am sure there is not a stronger, healthier woman in the city to-day. Can you wonder then that I praise Dodd's Kidney Pills, since they have given me both health and life, when I thought health had left me forever, and that death was near?"

Catarh Can Be Permanently Cured.

C. W. Knauer of Sheldon, Ia., was troubled with catarh for over two years so that he could only work a few days at a time; tried various doctors without relief. Pe-ru-na cured him permanently. Mrs. Thomas Walz, New Brighton, Pa., suffered with aggravated sore throat which the doctor could not cure. Three bottles of Pe-ru-na cured her. Bernard King, National Military Home, Leavenworth, Kas., neglected a severe cold which developed chronic catarh. Tried everything he saw advertised, to no avail. Pe-ru-na not only cured the catarh, but an old case of bronchitis. A. F. Carlson, Limestone, Minn., took a course of treatment with Pe-ru-na for catarh of the head and was cured. He delayed reporting for several months in order to see if cure was permanent; no symptoms reappearing, he has concluded that the cure is permanent. H. Cox was troubled with catarh of the head and bowels. Six bottles of Pe-ru-na cured him, after 14 years of enforced idleness.

A 32 page pamphlet containing several hundred testimonials, accompanied by a pen portrait of the writer, covering cures of catarh in all forms and stages by Pe-ru-na, will be sent free to any who desire it by the Pe-ru-na Drug Manufacturing Co., Columbus, Ohio.

The First GLIMPSE of SPRING.

To-day we put on sale 88 pieces of New Spring Dress Goods: Coverts, Ottomans, Broadcloths, Whip Cords, Popelines, Armures, Granites, Serges, Mohairs, Sicilians, Novelty Weaves, and so on through the long list of fashionable fabrics. We expect to keep the prices down. All our purchases are made to that end. Our store is a comprehensive volume on "How to Dress on Little."

We have a lot of the most beautiful Organdies, and their price makes them the bargain of the year. Exquisite patterns, charming colors.

FINAL PRICES ON CLOAKS.

The remainder of our cloaks will be sold at HALF PRICE. These garments are all late styles, having been bought late in the season, and besides serving for the three months to come will do for next season. Our customers expect us to have an entirely new stock each season, and this store has not been equaled as a supplier of up-to-date cloaks. So all this year's cloaks go—you pay just half the ticket calls for.
